

**GENERAL PROCUREMENT ANNOUNCEMENT**  
**(GPA Ref. No.: ERUA23-SP2-B)**

**FOR CONSTRUCTION OF EMERGENCY BRIDGE**  
**UNDER JAPAN'S GRANT ASSISTANCE**  
**FOR THE PROGRAMME FOR EMERGENCY RECOVERY**  
**FOR UKRAINE (PHASE 3) (JFY2023)**

---

The Japan International Cooperation Agency (JICA) concluded the Grant Agreement with the Government of Ukraine on February 19, 2024 and its Amendment to the Grant Agreement on November 21, 2025. JICA will extend a grant of fifteen billion eight hundred million Japanese Yen (JPY15,800,000,000) to purchase products and/or services for contributing to the implementation of the Programme for Emergency Recovery for Ukraine.

Japan International Cooperation System (JICS) has been nominated as the procurement agent for the Government of Ukraine and will conduct the procurement of products and/or services by utilizing part of the grant through request for quotations to Japanese companies.

JICS thus announces procurement exercises as follows:

**1. Subproject, Products and /or Services to be procured (subject to change)**

(1) Subproject

Subproject for Improvement of Transport Service (Phase 3)

(2) Scope of Works

Construction of Emergency Bridge under Design-Build Contract

**2. Eligibility**

Companies must meet all of the following criteria:

(1) Japanese nationals

- Companies shall be Japanese nationals (Japanese physical persons or juridical persons controlled by Japanese physical persons).
- Companies shall be Japanese companies incorporated and registered under Japan Law with their headquarters in Japan.
- The majority of companies' capital with voting rights shall be owned by Japanese nationals and majority of board members are Japanese physical persons.
- Companies shall not fall under any of the items of Article 26, paragraph 1 of the Foreign Exchange and Foreign Trade Act (Gaikokukawase-oyobi-Gaikokuboeki-Ho, Law No.228 of 1949, Japan).

(2) Companies must have at least two (2) track records of overseas construction of bridges, completed in 2015 or later, as a prime contractor or as a subcontractor. Each contract shall be valued at JPY100,000,000 or more. In the case of subcontractor experience, only the subcontract amount or the subcontractor's own share of the contract value shall be counted toward this requirement.

(3) Companies shall engage a subcontractor prior to the submission of the quotation. The-subcontractor shall meet the following conditions:

- 1) to have its headquarters, a branch office and/or a representative office in Ukraine as of April 1,

2024;

- 2) to have at least one (1) track record of major repair and/or construction of bridges in Ukraine with each contract valued at JPY100,000,000 or more, completed in 2015 or later; and
- 3) to hold a valid construction license with CC3 class of consequence, including the following works:
  - 3.03.00 Bridges and bridge crossings
    - 3.03.01 Bridges over water
    - 3.03.02 Overpasses, viaducts, and pedestrian crossings
- (4) Companies shall not be under the measures of the Government of Japan and the Japan International Cooperation Agency.
- (5) A joint venture (JV) is acceptable. In the case of establishing a JV, criteria (1) and (4) above shall be satisfied by all member companies. Joint-Venture Intent Letter signed by each member company shall be submitted at the time of registration.

Additional eligibilities may be required for each procurement.

### **3. Registration**

It is a prerequisite for all companies wishing to participate in the opportunities to register their interest by sending Registration Form ([click here to download](#)) in password-protected PDF format to JICS by e-mail at **erua@jics.or.jp**.

The e-mail should be marked in the subject as follows:

ERUA23-SP2-B\_Registration\_Company Name (to be specified)

It is the companies' responsibilities to contact JICS by telephone or e-mail to confirm that JICS is in receipt of their registration documents.

Companies who submit Registration Form are requested to respond to inquiries by JICS about the submitted documents.

After all official necessary arrangements are completed, request for quotations will be issued only to the eligible companies whose Registration Form have been submitted to JICS by 5:00 p.m. JST (Japan Standard Time) on the business day prior to the issuing date of each request for quotations.
