- 12) to have a head office in Japan and be capable of making close communication with the manufacturer(s), JICS and the Recipient;
- 13) to have a branch office, a liaison office or an agent in the recipient country, which is capable of assisting the manufacturer(s) for their work in the recipient country and communicating with the Consignees and/or the End-users; and
- 14) to have at least three (3) fiscal years’ business and to be able to submit Financial Statements (Balance Sheets and Income Statements) of the company’s head office for the latest three (3) fiscal years.

(2) Neither joint venture nor consortium is allowed.

(3) Companies who have repeatedly breached the contract in the past projects under Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS shall be regarded as lacking the ability to perform the contract properly and faithfully and consequently deemed ineligible for this procurement.

*Additional eligibilities may be required for each procurement.

3. Registration (Prequalification)

(1) It is a prerequisite for all companies wishing to participate in the opportunities to register their interest by sending the following documents to JICS by e-mail at **nonprogpn@jics.or.jp**

- Registration form ([click here to download](#)): to be submitted in PDF format, password-protected.

Password shall be informed to JICS by a separate email.

- Copies of company's brochure
- Copies of your company's audited accounts (balance sheets and income statements) for the last 3 consecutive years
- The e-mail should be marked in the subject as follows: ES-VU24/Registration/(Company Name).
- It is the companies' responsibilities to contact JICS by telephone or e-mail to confirm that JICS is in receipt of their registration documents.

(2) JICS will examine the submitted registration documents and notify the companies in writing of the prequalification result within five (5) working days after JICS receives the registration documents. Only the companies which are prequalified shall be registered for the procurement.

(3) Once companies are registered, their registration becomes valid for all procurement under the Programme. It is **not** necessary to submit the registration documents for each Product individually. However, if additional conditions are added for an individual Product, additional documents may be required in the Request for Quotation.

(4) JICS will distribute the Request for Quotations only to companies that have received the notification of registration as qualified company whose issue date is the day before each distribution of the Request for Quotation. **The Request for Quotation for the first batch has been issued.**

(5) Companies should screen out viruses from a file of registration documents and confirm that it is uninfected before sending it to JICS. JICS shall not be held responsible for any failure of receipt of e-mail message(s) of the registration documents resulting from such message(s) being virus infected regardless of whether it is by accident or intent.

(6) The purpose of use of personal information received by JICS through the registration documents is to send the Request for Quotations and proceed with the following procedures related to the procurement.

(7) JICS will not be responsible for any contamination caused by computer virus.

(8) The registration is closed upon completion of all procurement.
