

**TENDER NOTICE**  
**(Tender Ref. No.:ES-CD22-001)**

---

**PROCUREMENT OF THE PRODUCTS AND SERVICES  
UNDER JAPAN'S GRANT AID  
FOR THE ECONOMIC AND SOCIAL DEVELOPMENT PROGRAMME  
FOR THE DEMOCRATIC REPUBLIC OF THE CONGO  
FY2022**

### **1. Introduction**

The Government of the Democratic Republic of the Congo (hereinafter referred to as “the Recipient”) has received a grant of six hundred million Japanese Yen (JPY600,000,000) from the Government of Japan according to the Exchange of Notes between the Governments on November 4, 2022, concerning Japan’s Grant Aid for the Economic and Social Development Programme (hereinafter referred to as “the Programme”), aiming for contributing to the implementation of the economic and social development of the Recipient.

Japan International Cooperation System (hereinafter referred to as “JICS”) acts as a procurement agent for and on behalf of the Recipient for the purchase of the products (hereinafter referred to as “the Products”) and services under this grant.

### **2. Scope of Supply**

The scope of supply covered by this tender (hereinafter referred to as “the Supply”) consists of the following:

- (1) Procurement of the Products;
- (2) Installation and Set-up Service;
- (3) Operation and Maintenance Training Service ; and
- (4) Construction Works

### **3. Products to be procured**

The products to be procured are specified in TABLE-1 “LIST OF THE PRODUCTS” attached hereto.

- (1) Origins of the Products shall be all countries and areas except the Democratic Republic of the Congo.
- (2) It is the tenderer who has the burden to establish that the Products fulfil all the requirements. If, for whatever reason, JICS is not satisfied with the proof submitted by the tenderer, JICS may, at its sole discretion, request additional proof to its satisfaction, or disqualify the tender submitted by the tenderer. JICS has the sole and ultimate authority to decide whether these conditions are fulfilled.

### **4. Eligible Tenderer**

- (1) Eligible tenderers are those who meet all of the following qualifications:

- 1) to have received the Tender Documents directly from JICS;
- 2) NOT to be suspended from participating in tenders by the Government of Japan, the Japan International Cooperation Agency, or the Recipient; and

3) NOT to be suspended from participating in tenders in accordance with “DEBARMENT GUIDELINES” set forth by JICS, revised on November 6, 2023.

Please refer to JICS’s website for information about these guidelines.

[https://www.jics.or.jp/jics\\_html-e/tender/debarment.html](https://www.jics.or.jp/jics_html-e/tender/debarment.html)

4) to be Japanese nationals, which means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons;

5) to be incorporated and registered under the laws of Japan;

6) more than fifty percent (50%) of the total number of the voting rights are held by Japanese physical persons or Japanese juridical persons;

7) fifty percent (50%) and higher of the officers, meaning directors or other persons equivalent thereto, and the officers having power of representation are Japanese physical persons;

8) NOT to fall under any of the items of Articles 26, paragraph 1 of the Foreign Exchange and Foreign Trade Act (Gaikokukawase-oyobi-Gaikokuboeki-Ho, Law No.228 of 1949, Japan);

9) to have 60 points or more in grand total, and also have 38 points or more in Financial Capability and 13 points or more in Specific Experience respectively in TABLE-2 “QUALIFICATION TO PARTICIPATE IN TENDERING PROCEDURES” of this tender notice;

10) to have experiences in overseas trading;

11) to have experience in overseas construction project(s) as a main contractor;

12) to have a head office in Japan and be capable of making close communication with the manufacturer(s), JICS and the Recipient; and

13) to have at least three (3) fiscal years’ business and to be able to submit Financial Statements (Balance Sheets and Income Statements) of the tenderer’s head office for the latest three (3) fiscal years.

(2) Neither joint venture nor consortium is allowed.

(3) Tenderers who have repeatedly breached the contract in the past projects under Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS shall be regarded as lacking the ability to perform the contract properly and faithfully, and consequently deemed ineligible for this tender.

## **5. How to obtain Tender Documents**

Firms or companies who are interested in supplying the Products and/or the Services should download the Form of Expression of Interest (hereinafter referred to as “EOI”) from JICS’s website and provide it to JICS by e-mail at [nonprogpn@jics.or.jp](mailto:nonprogpn@jics.or.jp). The deadline is on or before 5:00 p.m. Japan Standard Time (JST) on February 16, 2026.

- The Form of EOI should be downloaded from JICS’s website. The EOI should be in PDF format and attached to an e-mail message. The subject line of e-mail should be clearly marked as in the sample below:  
ES-CD22-001/EOI/ (Name of firm or company)
- It is the firms or companies’ responsibilities to contact JICS by telephone or e-mail to confirm that JICS is in receipt of EOI.
- By sending one e-mail of EOI, firms or companies can receive one set of Tender Documents. If firms or companies are interested in multiple tenders, they should send respective e-mails of EOI according to their interest.
- JICS will send the Tender Documents including “Form of Tender” and “Technical

Specifications" to only one e-mail address which the firm or company states in the EOI.

- JICS will send the Tender Documents only one time and will not resend them once JICS has confirmed a firm/company's receipt of the Tender Documents.
- JICS will send the Tender Documents after the deadline of EOI submission to firms or companies whose EOI is received on or before 5:00 p.m. (JST) of the deadline.
- The EOI received after 5:00 p.m. (JST) of the deadline will be declined and shall not be considered. Time of receipt of EOI is recorded by receiving mail server. JICS will send the Tender Documents after 5:00 p.m. (JST) on the day of the deadline or the following working day at the latest.
- A file of EOI should be password-protected. Firms or companies should send a separate e-mail message to inform JICS of the password simultaneously when they send e-mail messages of EOI.
- Firms or companies should screen out viruses from a file of EOI and confirm that it is uninfected before sending it to JICS. JICS shall not be held responsible for any failure of receipt of e-mail message(s) of EOI resulting from such message(s) being virus infected regardless of whether it is by accident or intent.
- The purpose of use of personal information received by JICS through EOI is to send the Tender Documents and proceed with the following procedures related to the tender.
- JICS will not be responsible for any contamination caused by computer virus.

## **6. Tender opening**

Tender opening will be held on April 1, 2026 (JST) at the headquarters of JICS.

## **7. Contact for obtaining Tender Documents**

TABLE-1 LIST OF THE PRODUCTS

1. Procurement of the Equipment including Spare parts, Installation and Set-up Service, and Operation Training Work

Item No.	Products
1-1	CO2/H2O concentration
1-2	CO2/CH4 concentration
1-3	CH4 concentration
1-4	3D wind speed & direction (SAT)
1-5	CO2/CH4 Storage Profile
1-6	Air Temperature & Relative Humidity
1-7	Photosynthetically Active Radiation (PAR)
1-8	Global diffuse radiation
1-9	Net radiation
1-10	2D Wind speed & direction
1-11	Precipitation
1-12	Air Pressure
1-13	Soil Moisture
1-14	Water Level Gauge
1-15	Soil Gas Analyzer
1-16	Data Logger
1-17	Laptop PC

2. Construction Works

No.	Item
2-1.	Data collection house - Foundation work
2-2.	Data collection house - Construction of building including electrical work for lighting.
2-3.	Data collection house - Construction of fence around the Flux tower and Data collection house
2-4.	Data collection house - Construction of Observation well for ground water
2-5.	Access Road Construction - Uprooting and Clearingn of access road
2-6.	Access Road Construction - Wood boardwalk Construction
2-7.	Power Facility - Solar Power System Construction include installation of generator as Emergency power supply
2-8.	Flux Observation Facility - Foundation work of the Flux Tower
2-9.	Flux Observation Facility - Construction of Flux Tower
2-10.	Transportation of Construction materials
2-11.	Temporary Works

TABLE-2 QUALIFICATION TO PARTICIPATE IN TENDERING PROCEDURES

Financial Capability			
1	Outputs and sales for the latest financial statements (Average of the last three (3) fiscal years)		
	¥20 billion or more	45	<input type="checkbox"/>
	¥10 billion or more but less than ¥20 billion	40	<input type="checkbox"/>
	¥5 billion or more but less than ¥10 billion	35	<input type="checkbox"/>
	¥2.5 billion or more but less than ¥5 billion	30	<input type="checkbox"/>
	¥1 billion or more but less than ¥2.5 billion	25	<input type="checkbox"/>
	¥500 million or more but less than ¥1 billion	20	<input type="checkbox"/>
	¥250 million or more but less than ¥500 million	15	<input type="checkbox"/>
	¥100 million or more but less than ¥250 million	10	<input type="checkbox"/>
	Less than ¥100 million	0	<input type="checkbox"/>
2	Shareholder's Equity* for the latest financial statements		
	¥1 billion or more	15	<input type="checkbox"/>
	¥500 million or more but less than ¥1 billion	12	<input type="checkbox"/>
	¥100 million or more but less than ¥500 million	9	<input type="checkbox"/>
	¥50 million or more but less than ¥100 million	6	<input type="checkbox"/>
	¥10 million or more but less than ¥50 million	3	<input type="checkbox"/>
	¥0 or more but less than ¥10 million	0	<input type="checkbox"/>
	Less than ¥0	-20	<input type="checkbox"/>
3	Current Ratio for the latest financial statements		
	140% or more	10	<input type="checkbox"/>
	120% or more but less than 140%	8	<input type="checkbox"/>
	100% or more but less than 120%	6	<input type="checkbox"/>
	80% or more but less than 100%	4	<input type="checkbox"/>
	Less than 80%	0	<input type="checkbox"/>
4	Positive net profit before tax for the last three (3) consecutive fiscal years		
	Yes	5	<input type="checkbox"/>
	No	0	<input type="checkbox"/>
Total points for Financial Capability:			
Specific Experience			
5	Construction experience as a main contractor in Africa for the last ten (10) calendar years by the date of Tender Notice of the Programme (Contract amount ¥50 million or more)		
	Three times or more	10	<input type="checkbox"/>
	Once or Twice	5	<input type="checkbox"/>
	None	0	<input type="checkbox"/>
6	Construction experience of similar projects as a main contractor for the last ten (10) calendar years by the date of Tender Notice of the Programme		
	Three times or more	10	<input type="checkbox"/>
	Once or Twice	5	<input type="checkbox"/>
	None	0	<input type="checkbox"/>
7	Business experience for Japan's ODA as a main contractor for the last ten (10) calendar years by the date of Tender Notice of the Programme (Contract amount: ¥10 million or more)		
	Three times or more	5	<input type="checkbox"/>
	Once or Twice	3	<input type="checkbox"/>
	None	0	<input type="checkbox"/>
Total points for Specific Experience:			

Historical Performance			
8	Number of “Instruction for business improvement” ** received in the last one year by the date of Tender Notice of the Programme		
	Four or more	-40	<input type="checkbox"/>
	Three	-30	<input type="checkbox"/>
	Two	-20	<input type="checkbox"/>
	One	-10	<input type="checkbox"/>
	None	0	<input type="checkbox"/>
Total points for Historical Performance:			
Grand Total***:			

\* Shareholders' equity is the sum of capital stock, capital surplus, retained earnings and accumulated other comprehensive income, and does not include subscription rights nor non-controlling interests.

\*\* JICS may issue an “Instruction for business improvement” in the following cases:

- (a) When serious non-conformity under the contracts between JICS and tenderers for Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS has occurred with respect to type, quantity, quality and due dates of the Products to be procured, among the conditions of the contracts due to reasons attributable to the tenderers.
- (b) When a serious accident or problem under the contracts between JICS and tenderers for Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS has occurred for reasons attributable to the tenderers, and is considered as being substantially prejudice the interests of the Recipient.
- (c) When the tenderers have failed to fulfill or neglected their contractual obligations under the contracts between JICS and tenderers for Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS despite multiple reminders by JICS.

In case that tenderers who have received an “Instruction for business improvement” with respect to the contracts between JICS and tenderers in the past projects for Japan’s Grant Aid for the Economic and Social Development Programme and/or other programme conducted by JICS receive another Instruction before one year has elapsed from the date of issue of the said first Instruction, JICS may issue “a warning” to the tenderers as specified in Article 13, Paragraph 1 of the “Debarment Guidelines” set forth by JICS.

\*\*\* Grand Total score shall be 60 points or more in order to be qualified as an eligible tenderer. And also Total score in Financial Capability shall be 38 points or more and those in Specific Experience shall be 13 points or more respectively.
